Sir,

Re the establishment for Municipal Food Grain Depot at Banavar

---

I have the honor to state that the Municipal Council of Banavar resolved at their meeting held on 4-1-45 to open a Food Grain Depot for the distribution of food grains to the towns people by advancing a sum of Rs 3000/- from Municipal Funds with the establishment as noted below

One salesman	25/- p m
One measurer	15/- p m
Depot rent	15/- p m

The Municipal President reported that the Depot was opened from 12-1-1945 advancing a 2500/- and requested sanction to the proposed establishment for the depot The President was informed that the Depot should be self maintainable and as such the establishment recommended may be reduced It is reported that it is not possible to reduce this scale as there are none willing to work on smaller pay than what is proposed From the statement furnished by the Municipal President it is seen that an average income of Rs 80 to 100 is realised per month as profit against which the monthly expenditure on stablishment is stated to be Rs65/- p m as follows

One salesman	25/- p m
One measurer	15/- p m
House rent	15/- p m
Cart hire	5/-
Contingency	2/-
T A &c	3/-
	65/-

In the first instance the Municipal clerk was entrusted with the maintenance of accounts on an allowance of 10/- p m from 12-1-45 and a measurer on Rs15/- p m As it was found inconvenient for the Municipal Clerk to look after the depot accounts a separate salesman was employed from 20-8-1945

The matter was under correspondence and in the mean hile the Municipal Council has proposed in their resolution dated 28-10-46 to pay dearness allowance to the staff of the depot viz , Salesman and measurer from 1st July 1946 In view of the limited income dearness allowance at Rs8/- p m to the salesman and Rs4/- p m to the measurer may be sanctioned from July 46 The President has been requested to see that this expenditure is stopped if sufficient profit is not realised

As a depot is necessary in the town for the distribution of food grains, I request that sanction of Government may kindly be obtained to the opening of the food grain depot and its establishment and to the payment of the dearness allowance as proposed above

Copies of resolutions of the Municipal Council are enclosed.

I have the honor to be,
Sir,
Your most obedient servant
